MEMORANDUM FOR: The Record

Pursuant to the Director's request, Mr. Pforzheimer will call Mr. Joseph T.P. Sullivan "for the Director" and express Mr. Dulles' appreciation to speak for the Yale Club of the City of New York. Mr. Pforzheimer is to tell Mr. Sullivan that the Director necessarily must limit his speaking engagements and for the moment his commitments are such that he cannot accept any more. However, he will be glad to consider an invitation at a later date.

Note For: Colonel Grogan

Mr. Joseph T. P. Sullivan, Chairman of the Activities Committee of the Yale Club of the City of New York called today to request that the Director speak before the Club sometime in November, December or January. He went on to say that Henry Cabot Lodge and other illustrious personages have spoken to the group on occasion.

He emphasized that he was calling rather than sending a written request because it is the Club's policy to refrain from issuing an invitation unless there is an assurance that it will be accepted.

When asked for suggested dates and topics, Mr. Sullivan replied that he would prefer that the Director choose a preferred date and alternate which the Club would act on; he added that he would not presume to suggest a subject for the Director's speech.

He may be reached at his office - OX-7-5898 or you may check his references and also reach him at the Yale Club - MU-9-8180.
